

United Way of North Central New Mexico (UWNCNM) brings together donors, businesses, nonprofits, government and others to create better solutions to our community's challenges. Our programs and donor dollars ensure that individuals and families in north central New Mexico have the opportunity to achieve potential through education, and that they are healthy and safe, financially stable, and live a life with dignity.

The agencies listed below received a grant for 2022-23 funding cycle from the UWNCNM Community Investment Fund totaling more than \$2 million. These awards include moneys from the generous donations of our four donor groups: Guys Give, Hispano Philanthropic Society, Women United and the Young Leaders Society. The Santa Fe County awards (\$400,000 for 20 grants) reflect funding made possible by the generosity of MacKenzie Scott.
