

WOMEN UNITED

Women United (WU) is dedicated to giving women a greater voice. WU works to educate and encourage women to affect change in their community through giving and leadership while networking with other women through a commitment to, and relationship with, the United Way of North Central New Mexico (UWNCNM).

Women United Fund

Helps create sustainable systemic change in our four-county community through grants that address a continuum of services and the most pressing issues for women. These grants are awarded to agencies that empower women to become self-sufficient. More than \$1 million has already been granted to deserving agencies through this fund.

This year we supported the following organizations through program grants:

- **Crossroads for Women \$15,000**
- **Domestic Violence Resource Center (D.V.R.C.) \$67,013**
- **Dreamspring \$5,000**
- **Saranam, LLC \$75,000**
- **Susan's Legacy \$10,000**

Women United Giving Circle

Members are those who provide \$250 or more specifically to the Women United Fund. The Circle opens the door to additional learning and giving opportunities, special recognition at Women United events, and certain Giving Circle perks. Most important of all, our combined donations magnify the impact in the lives of women in our community.
