

Women United (WU) is dedicated to giving women a greater voice to affect change in their community. Through leadership, giving, and networking, WU combines funding and volunteering to magnify the impact of the United Way of North Central New Mexico (UWNCNM) in the lives of women in our community.

The Women United Fund helps create sustainable systemic change in our five-county community through awarding grants to agencies that empower women to become self-sufficient. More than \$1 million has already been granted to deserving agencies through this fund.

This year the WU Fund supported the following organizations through program grants:

- Catholic Charities \$20,000
- Crossroads for Women \$25,000
- Saranam, LLC \$75,000
- Susan's Legacy \$10,000
- TenderLove Community Center \$45,000

In an effort to align WU with the diversity, equity, and inclusion values deeply rooted in UWNCNM, we are moving to a give what you can model that will allow those giving to the WU Fund additional learning and giving opportunities and special recognition at Women United events. Most importantly, our combined donations magnify the impact in the lives of women in our community.
