Central New Mexico

UNITED WAY OF NORTH CENTRAL NEW MEXICO CAN GET YOU WHERE YOU NEED TO BE!

RIDE UNITED

Transportation Access

To Support Ride United

United Way of North Central New Mexico is helping Santa Fe residents overcome their transportation obstacles. The Ride United Transportation Access Program offers free Lyft rides to residents without access to a vehicle or public transportation.

By calling **211** or **(505) 245-1735** for google voice users, riders who have a smart phone and Lyft app can receive a credit towards rides. Those without a smart phone can still dial **211** to have rides scheduled for them.

These rides can be used for any need related to,

• **Health** • **Food** • **Shelter/Housing** • **Employment** • **Education** • **Legal Services** • **Economic Stability**

The program is low barrier, can be accessed through a short phone call, and requires no documentation. Minimal eligibility requirements are,

- Must be over the age of 18
- A resident of Santa Fe county (Rides must begin in Santa Fe but can take the rider outside county lines)
- Need transportation due to an eligible reason listed above
- Advance notice preferable but not required for rides

Community nonprofits and agencies within the CONNECT network can refer clients through the Unite Us portal.

Thanks to Molina Healthcare for their sponsorship of this important service!
