

GUYS GIVE

Guys Give (GG) works towards creating solutions in our community with regards to domestic and interpersonal violence. We meet regularly to exchange ideas that empower and help families. Members also work closely with organizations and agencies that support survivors of interpersonal violence.

Through volunteerism and discussion, Guys Give focuses on learning about and changing outcomes for those who are building a better life for themselves and their children.

Guys Give Fund

Provides funding for the coordination of services for those escaping interpersonal violence. This year a grant was awarded to the following non-profits:

- **Case Fortaleza—\$50,000**
- **Albuquerque SANE Collective—\$10,000**
