

UNITED IN PURPOSE

LIVE UNITED

Together with contributors like you, United Way of North Central New Mexico (UWNCNM) is United in Purpose with a goal of creating a solid foundation for people and families and providing young people with the assistance they require to succeed in school now and in the workforce tomorrow.

Our collective impact efforts (called Rising Together) mean we work with partners to address issues that affect individuals, families, and kids in our five-county region. And, in order to establish a safety net for the community, UWNCNM supports nonprofit organizations so that they can offer the related services and programs people need.

When you participate with United Way of North Central New Mexico, you are investing in a stronger community and a brighter future.
