UWNCNM hosts an annual volunteerism event each September called Week of Caring. Join friends and families as they spend some time helping with projects of all kinds. Volunteer – you'll be glad you did! Uwncnm.org/events

Every gift is important as UWNCNM endeavors to connect people in need with resources, provide a path for families to attain education, enable people to obtain services in times of crisis and more. Giving to UWNCNM ensures that your dollars are at work in central New Mexico. Give at Uwncnm.org
