INDEPENDENT AUDITORS' REPORT

Board of Directors United Way of North Central New Mexico

Opinion

We have audited the accompanying financial statements of United Way of North Central New Mexico (UWNCNM) (a non-profit organization), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of UWNCNM as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UWNCNM and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the UWNCNM's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the UWNCNM's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the UWNCNM's ability to continue as a going concern for a reasonable period-of-time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

NOTE 1 – ORGANIZATION AND ADMINISTERED PROGRAMS

Organization

Headquartered in Albuquerque, United Way of North Central New Mexico (UWNCNM) serves the people of five counties: Bernalillo, Sandoval, Santa Fe, Torrance, and Valencia. Its mission is to bring people and resources together to measurably improve lives and strengthen our communities.

UWNCNM brings together donors, businesses, nonprofits, government, and others to create better solutions to our community's challenges. Our programs and donor dollars ensure that individuals and families in North Central New Mexico have the opportunity to achieve potential through education, that they are healthy and safe, are financially stable and live life with dignity.

UWNCNM has a strong commitment to diversity, equity and inclusion and uphold the following values:

- We value the visible and invisible qualities that make you who you are.
- We welcome that every person brings a unique perspective and experience to advance our mission and progress our fight for the health, education, and financial stability of every person in every community.
- We believe that each UWNCNM community member, donor, volunteer, advocate, and employee must have equal access to solving community problems.
- We strive to include diversity, equity, and inclusion practices at the center of our daily work.

We commit to using these practices for our business and our communities.

Administered Programs

UWNCNM administers the following programs:

Community Investment Fund

The Community Investment Fund improves our community by providing program grants to qualifying health and human services agencies in north central New Mexico. The Community Investment Fund advances the common good and works to create a stronger community. We provide grants in three areas:

- 1) **Impact Grants** that focus on educational attainment, family/housing stability, and safety/well-being.
- 2) Basic Needs Grants support emergent needs, such as food and emergency shelter.
- 3) Capacity Building Grants improve a nonprofit's ability to fulfill its mission.

Mission: Graduate

Mission: Graduate is a cradle-to-career community initiative that has the goal of adding 60,000 certificates and degrees to our region above and beyond what existed in our baseline year of 2010. This multi-sector partnership is committed to a vision for a world-class, seamless and coordinated education system that provides equitable opportunities for all to excel and succeed in school; graduate with a certificate or postsecondary degree; and enter a career of their choosing in Central New Mexico.

Mission: Families

Mission: Families is a part of UWNCNM's Cradle to Career Impact Agenda and was established in 2018 in response to Mission: Graduate's work, the educational component of UWNCNM's Impact Agenda. Mission: Families focuses on family stability and the vision is resilient children and families free from Adverse Childhood Experiences in Central New Mexico. The goal is to impact 20,000 families by the year 2030 in Central New Mexico.

Tax Help New Mexico

Tax Help New Mexico provides free tax preparation to New Mexico households with an annual household income \$60,000 or less. 190 volunteers completed over 8,400 returns in 2022, saving New Mexico filers more than \$3.6 million in tax preparation fees. This program was responsible for returning over \$16 million in tax refunds/rebates to New Mexicans which allows families to build their financial stability and impacts New Mexico's economy. Tax Help New Mexico expenses are presented under the Other Initiatives heading in the Statements of Activities.

2-1-1

211 is the national helpline for free access to health and human services information and referral. UWNCNM's 211 is a comprehensive source for information about health and human services, government agencies and community-based organizations. 211 (or 245-1735) is staffed by live Community Resource Navigators between 8:30 a.m. and 4:30 p.m. MT Monday through Friday; an automated system fields calls after hours and on weekends and holidays. Services are available in over 240 different languages through a live interpretation line, and a Spanish Bilingual Navigator. Callers whose needs are not met by the automated system can leave voicemail messages, which are responded to the next business day. 211 expenses are presented under the Other Initiatives heading in the statements of activities.

2-1-1/Connect

UWNCNM's 211 and the CONNECT network of the City of Santa Fe and Santa Fe County partner to strengthen the connections between the community and local resources. CONNECT is a network of navigators at clinics, community organizations and city and county programs that links local citizens with nonprofits to address social needs. In Santa Fe, 211 partners with the CONNECT program to support callers throughout the county to find needed resources. The helpline is available in English and Spanish from 8:30 am to 4:30 pm, Monday to Friday.

Donor Group Initiatives

UWNCNM also administers other initiatives through Hispano Philanthropic Society, Young Leaders Society, Women United, and Guys Give. Donor Group members have identified women's self-sufficiency, middle-school youth, youth transitioning to adulthood and preventing family violence as areas for giving. Donor Group Grant Initiatives are gifts to the Community Investment Fund. Donor Group Initiatives expenses are presented under the Co-Branding and Event Sponsorships heading in the statements of activities.

Family Advocacy Center

Established in 2007 to change the system of care for victims of domestic and interpersonal violence, the Family Advocacy Center (FAC) is a service for victims that offers a safe, secure and caring environment focused on the needs of victims of interpersonal crime. The FAC houses many different agencies working together under one roof. The unique design of the facility dramatically reduces the stress and trauma victims and their families often endure by giving them access to a wide range of support services at one location. Services include medical care, advocacy, legal and financial assistance, as well as law enforcement and prosecution. FAC expenses are presented under the other initiatives heading in the statements of activities.

DEI United

DEI United is a collaboration between UWNCNM and Albuquerque Community Foundation (ACF). A staff-driven committee from both organizations partner on internal and external activities that advance diversity, equity, and inclusion in central New Mexico. We address three areas through DEI United: community engagement; funding for BIPOC-led (Black, Indigenous, People of Color-led) and lived-experience-led, nonprofit organizations addressing systemic inequities; and leadership and equity development. DEI United expenses, except for direct grants and distributions, are presented under the Other Initiatives heading in the Statements of Activities.

Ride United

Transportation to medical appointments, job interviews, or other necessary appointments is a challenge for many New Mexicans. When people don't have reliable transportation to allow them to take care of basic needs, the resulting compounding problems can trap families in the cycle of poverty. Operated through the 2-1-1 program, UW sponsors Ride United in Santa Fe County to provide complimentary Lyft rides for people who have no other options for transportation to critical appointments.

Rising Together

The Community Impact team works on projects that deliver Collective Impact to its service area. We call this body of work Rising Together and it focuses on the following topics: Healthy Beginnings and School Readiness, K-12 Learning, College/Career Readiness, Adults in Education and Family Resilience.

Donor Option Program

Donors have the option to designate contributions to any organization that is tax-exempt under Internal Revenue Code Section 501(c)(3). UWNCNM remits collected contributions on a monthly basis to the designated organizations. Donor option program expenses are presented under the Program Services heading in the statements of activities.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of UWNCNM have been prepared in accordance with accounting principles generally accepted in the United States of America, which require UWNCNM to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of UWNCNM. These net assets may be used at the discretion of UWNCNM's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of UWNCNM or by the passage-of-time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Reclassifications

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

Contributions and Revenue Recognition

All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Pledges for contributions for a campaign year are recorded as assets and restricted revenue when the pledges are received. Allocations to funded agencies are recognized as expenses in the period such allocations are made, generally the following year. Allocations are generally paid on a monthly installment basis throughout the year.

Pledges for which the donor stipulates the agency to receive the donation (Donor Option Program) are recorded as assets (Donor options receivable) and liabilities (Donor options payable) when the pledges are received. They are included in campaign results but are not considered revenue of UWNCNM and are reflected as donor option amounts (designations) in the accompanying financial statements.

The provision for uncollectible pledges is computed based upon a three-year historical average adjusted by management estimates of current economic factors. It is applied to the gross campaign including donor option pledges.

Contributed Services

Approximately 543 volunteers have donated over 22,600 hours of their time in the furtherance of UWNCNM's activities. The value of this contributed time is not reflected in these statements because it does not meet the criteria for recognition under accounting principles generally accepted in the United States of America.

Donated Services

Contributed services are recognized if the services received create or enhance non-financial assets, require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Contributed services are recorded at the fair value of the services received as determined by the donor. For the years ended June 30, 2023 and 2022, UWNCNM received and recognized \$702,182 and \$771,340, respectively, of donated services. The recognized donated services included advertising and other professional services related to the programs, fundraising, and management and general operations of UWNCNM.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Property and Equipment

Property and equipment is recorded at cost or estimated fair value at date of donation. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets. UWNCNM capitalizes items over \$1,000 over the estimated useful life of the assets, which ranges from 3 to 30 years.

Income Taxes

UWNCNM is a nonprofit organization and is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and is not classified by the Internal Revenue Service as a private foundation.

UWNCNM has adopted accounting principles generally accepted in the United States of America, as they relate to uncertain tax positions, and has evaluated its tax positions taken for open tax years. Management believes that all activities of UWNCNM are within their tax-exempt purpose and that there are no uncertain tax positions. Any interest and penalties recognized associated with a tax position are classified as current in UWNCNM's financial statements. There were no interest or penalties recorded as of June 30, 2023 and 2022, respectively.

Fair Value Measurements

Accounting Standards Codification Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 – Unadjusted quoted prices in active markets for identical investments that UWNCNM has the ability to access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the investment, either directly or indirectly. These inputs may include quoted prices for the identical instrument in an inactive market, inputs other than observable quoted prices, or inputs derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Financial Instruments

The carrying amounts of cash, receivables, payables, and accrued expenses approximate fair value due to the short maturity periods of these instruments.

Planned Giving

UWNCNM has been named as a trustee or owner in several planned giving agreements. Some of the agreements stipulate UWNCNM as the beneficiary of the agreement while others require UWNCNM to distribute the trust assets or life insurance death benefits upon the death of the donor and therefore, UWNCNM has recorded a liability equal to the fair market value of these assets. The fair market value of these trust liabilities was \$429,175 and \$405,502 as of June 30, 2023 and 2022, respectively. UWNCNM has a Planned Giving Committee which provides planned giving opportunities to donors and establishes and executes planned giving initiatives. They also establish and execute gift acceptance policies. Policy decisions made by this committee are moved to the finance committee for further approval before moving to the Board of Directors for final approval.

Expense Allocation

The cost of providing the various programs and all other activities has been summarized on a functional basis in the statements of activities and the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

New Accounting Standards

In February 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842), which supersedes existing guidance for accounting for leases under Topic 840, *Leases*. The FASB also subsequently issued the following additional ASUs, which amend and clarify Topic 842: ASU 2018-01, *Land Easement Practical Expedient for Transition* to Topic 842; ASU 2018-10, *Codification Improvements* to Topic 842, *Leases*; ASU 2018-11, *Leases* (Topic 842): *Targeted Improvements*; ASU 2018-20, *Narrow-scope Improvements for Lessors*; and ASU 2019-01, *Leases* (Topic 842): *Codification Improvements*. The most significant change in the new leasing guidance is the requirement to recognize right-to-use (ROU) assets and lease liabilities for operating leases on the statements of financial position.

UWNCNM elected to adopt these ASUs effective July 1, 2022 and utilized all of the available practical expedients. The adoption had a material impact on UWNCNM's statements of financial position but did not have a material impact on the statements of activities. The most significant impact was the recognition of ROU assets and lease liabilities for operating leases. Adoption of the standard required UWNCNM to record an operating lease ROU asset and corresponding operating lease liability of approximately \$1,300,000 as of July 1, 2022.

Subsequent Events

UWNCNM has evaluated all events occurring subsequent to June 30, 2023 and through October 18, 2023, which is the date that the financial statements were issued and does not believe that any events occurring during this period require either recognition or disclosure in the accompanying financial statements.

NOTE 7 – CORPORATE CORNERSTONE RECOGNITION PROGRAM

Under the Corporate Cornerstone Recognition Program, donations from local corporations and individuals who choose to participate in the program are appropriated by UWNCNM's Board of Directors to fund the fundraising and general operational and administrative costs of UWNCNM, as well as several other initiatives. Annually, total donations raised from this program are allocated to fund UWNCNM's operational budget and the Center for Non-Profit Excellence. After these allocations have been made, any remaining funds are designated to Impact, Basic Needs and Capacity Building grants. During 2016, the Board of Directors voted to modify the Donor Option Program in response to contributions from the Corporate Cornerstone Recognition Program not being sufficient to fund UWNCNM's administrative expenses. Beginning with the 2016 campaign, when a donor designates 10% of their annual contributions to support the work of United Way, 100% of their remaining designated contributions will be passed through. If they elect not to designate 10% to UWNCNM, then 10% of their designations will be deducted to cover administrative cost when their designations are passed through.

NOTE 8 – TRANSFERS OF ASSETS TO RECIPIENT ORGANIZATIONS

UWNCNM transfers certain gifts from donors to the Albuquerque Community Foundation (ACF). Under the terms of an agreement between UWNCNM and ACF, UWNCNM holds variance power over these assets. ACF keeps separate records of the activity and performance of each of these assets within UWNCNM's total asset pool. Annually, UWNCNM requests distributions of these assets from ACF according to the agreements between UWNCNM and the initial donors. As of June 30, 2023 and 2022, UWNCNM had transferred \$5,087,009 and \$4,389,330, respectively, of these assets to ACF, which are included in the investment with ACF and planned giving assets balances of the accompanying statements of financial position.

NOTE 9 – FAIR VALUE MEASUREMENT

The following tables present the fair value hierarchy for those assets measured at fair value on a recurring basis as of June 30, 2023 and 2022.

Description - 2022	Total	Level 1	Level 2	Level 3

Other assets	31,083			31,083
	\$ 5,346,476	\$ -	\$ 926,063	\$ 4,420,413

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at June 30, 2023.

Investment with ACF and Other assets: Valued at net realizable value, as determined by the quoted prices as provided by the investment manager, which pools all funds and allocates investment activity to each fund accordingly.

Investments in marketable securities: Fair value determined using the closing price of the traded security at the statements of financial position date.

Planned giving assets: Valued at the quoted prices as provided by the investment manager, which pools all funds and allocates investment activity to each fund accordingly or the present value of future cash flows using a stated discount rate for insurance policies.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Level 3 Investments

The following tables present the UWNCNM's activities for assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) for the years ended June 30, 2023 and 2022:

Level 3 activity is as follows:

		2023	 2022

NOTE 10 – LEASING ACTIVITIES

UWNCNM leases its primary corporate offices under a lease agreement with a related party, which calls for monthly rent payments of \$12,859, and expires in February 2026. The lease contains two five-year options for extension. UWNCNM also leases various office space and equipment under short term operating lease agreements. These agreements expire at various dates through March 2026 and call for monthly payments of \$488-\$1,650. Included in the determination of the right-of-use assets and lease liabilities are any renewal options when the options are reasonably certain to be exercised.

UWNCNM has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing operating leases and does not recognize the asset and liability for these leases. Operating lease expense is recognized on a straight-line basis.

Maturities of lease liabilities of operating leases are as follows for fiscal years ending June 30:

2024	\$ 173,356
2025	160,160
2026	158,208
2027	154,303
2028	154,303
Thereafter	 411,475
Total lease payments	1,211,805
Less: interest	 (68,894)
Present value of lease liability	\$ 1,142,911

Total lease expense was \$225,275 and \$202,432 in 2023 and 2022, respectively, which includes miscellaneous period expenses that do not pertain to the calculation of the right of use asset and operating lease liability.

At June 30, 2023 and 2022, the weighted average remaining lease term in years was 7.52 and 8.41, respectively.

The weighted-average discount rate is based on the discount rate implicit in the lease. UWNCNM has elected the option to use the risk-free rate determined using a period comparable to the lease terms as the discount rate for leases where the implicit rate is not readily determinable. At June 30, 2023 and 2022, the weighted average discount rate was 1.51% and 1.49%, respectively.

UWNCNM recorded an in-kind contribution for below market rent of \$152,391 and \$103,090 in 2023 and 2022, respectively, related to the lease of its primary corporate offices. In-kind rent is computed as the difference between the market price per square foot and the contract price in the lease.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 11 – COMMITMENTS AND CONTINGENCIES

Defined Contribution Plan

All UWNCNM employees are eligible to participate in a 403(b) defined contribution plan administered by Bank of Albuquerque Financial. Eligibility is attained upon the first day of the month after hire, provided the employee is at least 21 years of age. Employees can contribute compensation to the Plan, subject to IRS restrictions. UWNCNM matches the first 3% of all employee contributions, with these matching contributions vesting immediately. Total expenses incurred by UWNCNM with regard to this Plan were \$173,637 and \$174,029 in 2023 and 2022, respectively.

Concentrations of Risk

UWNCNM maintains cash balances in financial institutions that at times exceed federally insured limits. Management regularly monitors the financial institutions with balances in excess of insured limits to manage the risk of loss.
