

BY THE NUMBERS

SANDOVAL COUNTY 2023

UWNCNM awards to programs
serving Sandoval County

25 GRANTS
\$730,100.00

IMPACT IN SANDOVAL COUNTY:

- Essential home repairs at no cost to low income families
- Regular and medically tailored meal delivery for home bound individuals
- Mental health services for disabled military veterans and their families
- Help families develop the skills needed to promote healthy functioning and reduce risk of violence, abuse, and neglect in the home; and increase positive familial and community relations
- Health equity trainings to support the community in assessing community barriers to accessing health-related services, and to engage with their communities to remove these barriers
- Dance based enrichment to enhance academic comprehension and healthy behaviors
