# DEI UNITED: ADVANCING DIVERSITY,

DEI United is a collaborative effort between United Way and the Albuquerque Community Foundation that creates immediate and lasting change by fostering a more equitable, just and sustainable environment in north central New Mexico. In the face of nationwide challenges and skepticism about diversity, equity and inclusion efforts, participation in DEI United signifies a commitment to advancing opportunities in our community by pushing for progress and standing firm in our dedication to creating a more inclusive future.

## DEI UNITED FOCUSES ITS WORK ON THREE PILLARS:

<b>Community Engagement</b>	Actively build relationships with the community through conversations that ensure that often unheard voices and aspirations are heard.
<b>Support for Diverse Background-Led Organizations</b>	Fund organizations deeply rooted in their communities, addressing racial and ethnic disparities in health and education. Create a grant-making program built on trust, offering accessible grants for organizations led by people with diverse backgrounds.
<b>Equity in Leadership</b>	Support nonprofit leaders who identify with diverse backgrounds or have lived experiences reflecting their communities. By responding directly to their needs, DEI United works to embed equity, longevity and wellness into the nonprofit ecosystem.

Looking ahead, DEI United will continue to partner with community leaders to provide support in ways that are meaningful to them in overcoming systemic barriers and embedding equity in their work. Now – more than ever – this work necessary to realize a vibrant and thriving New Mexico.
