

**MONEY
MATTERS**

FOR SMALL BUSINESSES

Money Matters for Small Businesses:

A financial empowerment course

Recipient of the 2023 IRS Catalyst for Financial Stability award

Learn the basics of:

Planning for a Healthy Business

Business Types and Record Keeping

Banking

Taxes

This introductory, FDIC approved course is all about financial literacy for aspiring small business owners and will teach the participant how to successfully open their dream business. The Money Matters for Small Businesses curriculum includes the basics on planning for a healthy business, the different business types, record keeping, banking, and taxes. These topics are taught within five 1-hour long sessions. The final session will also include a panel discussion with local small business owners, financial institutions, and other experts from the community.
