## LIVE UNITED

UWNCNM works in partnership with families and the community to improve lives and to help ensure our community thrives. Stable, resilient families provide children with the foundation they need to succeed, ensuring they are safe, healthy and experience social and emotional well-being so they are ready to learn.

In addition to partnering with many nonprofits and institutions, these services provide access to families so they can meet their needs:

2-1-1 is an information and referral helpline, staffed by trained Community Resource Specialists who connect callers to human services for a wide range of needs.

The Family Advocacy Center is a facility that offers confidential and free resources to people experiencing interpersonal violence.

Tax Help New Mexico is a free tax-filing resource for people whose household income is \$65,000 or less or those who are 65 years or older.
