

HISPANO PHILANTHROPIC SOCIETY

The Hispano Philanthropic Society (*HPS*) promotes Hispanic leadership in philanthropy through recognition, engagement, and development of Hispanic talent to advance cultural prosperity in our community. HPS supports UWNCNM's education and family stability initiatives (Rising Together) and Diversity, Equity, and Inclusion (*DEI*).

HPS's initiatives are to promote recognition, develop leaders, and engage the community in order to empower the Hispanic community for generations to come. HPS currently has just under 400 members. Over the years, our donors have helped fund nonprofit agencies who support the area of education. We can all take pride in making peoples' lives better through our community involvement and contribution. Thanks to YOU, we are increasing our reach to encompass family stability and DEI.
